

### **Medicare Coverage Changes**

For dates of service on and after October 14, 2011, Original Medicare and Coventry Medicare Advantage plans will cover one clinical risk screening for alcohol usage and four brief face to face counseling sessions for those at risk annually and one clinical screening for depression annually when these services are provided by a primary care provider (PCP).

For dates of service on and after November 8, 2011, Original Medicare and Coventry Medicare Advantage plans will cover one face-to face intensive behavioral counseling visit annually for cardiovascular disease reduction when provided by a primary care provider (PCP).

If you have any questions, please call Customer Service at the number on the back of your ID card.

A Coordinated Care plan with a Medicare Advantage contract.
